

I Believe

I was not there when Jesus walked on water
Nor when He woke to calm the raging sea
I was not there to witness His miracles on earth
Yet I will still have faith and believe.

I can read about His life in the scriptures
I can feel His love; the spirit testifies
I don't need to see His face, or the nail prints in His hands
I can know by using spirit eyes.

Chorus:

*I believe, even though I have not seen
I have faith in Jesus Christ, His sacrifice
And where His footsteps lead.*

*I believe for the spirit does not deceive
There is truth borne to my soul. I really know
He lived and died for me.*

I was not there when He wept in the garden
And took upon my every pain and sin.
I was not there to witness this miracle for me
Yet I can feel His power deep within.

And because my Savior knows me and loves me,
I will trust in Him and let my heart receive
Gifts of peace that heal my soul and make me whole again
If I will be not faithless, but believe.

Chorus

He lives again for me!

*I believe for my spirit eyes have seen
In humility I pray I'll walk His way
Led by His perfect love.*

*I believe for the spirit does not deceive
I don't need to see and feel to know He's real
This knowledge is enough.*

I believe. I believe.
