

## **FIRESIDE & HOME CONCERT INFORMATION**

*Sara is willing and available to come present a musical fireside for your ward or stake and is currently booking for the next year. There are several options available including adult musical firesides, stake or ward youth firesides, camps, young women events. Please contact her if you would like more information. She would be happy to answer any of your questions.*

*Sara also performs "home concerts". These are evenings where you host with your family and friends and she comes and presents 8-10 of her songs, tells some stories and experiences she has had with music. Having a piano is helpful.*

*Firesides and home concerts are presented at no cost, although assistance with travel expenses is encouraged and greatly appreciated.*
