

Hugs From Heaven

A Lullaby for Mother Hearts

The ways you serve and give,
The love you share with those around you;
All those little things that you do.
Yet, if you sometimes feel that you are not enough,
Then this message is meant just for you.

Chorus

*We want to thank you for all the good that you are,
For the Lord knows each piece of your heart.
And He knows in those moments how hard you try.
Hope you feel hugs from Heaven as the days go by.*

The trials you endure,
The strength you show when you are tired,
Teaches us how faith sees you through.
And if you're overwhelmed, so stretched you feel you'll break,
Then this message is meant just for you.

Repeat Chorus

To all the women by our side
Who nurture, bless and give us life:
It is your love. You are enough.

Repeat chorus

Feel those little hugs from Heaven with this lullaby.
